

SOCIAL INVESTMENT SURA BUSINESS GROUP

The SURA Business Group makes contributions with a social impact directly from its companies and/or through the SURA Foundation. These contributions are made in accordance with the guidelines described in our [Social Investment Framework Policy](#).

Below, we present a general balance of the social investment made by the Company during 2023. The values correspond to the social development initiatives that the SURA Business Group leads and in which it participates in Latin America:

	COP	USD	Percentage
Cash contributions <i>Financial contributions</i>	\$53,183,301,654	\$12,305,575	95.66%
Time <i>Quantification of hours of volunteering carried out by employees during working time</i>	\$2,317,076,337	\$535,734	4.16%
In-kind giving <i>Contribution of goods or services</i>	\$99,259,898	\$22,950	0.0018%
Total	\$55,595,312,888	\$12,834,259	100%

According to the contributions made in money and in kind, the social investment of Grupo Empresarial SURA is classified as follows:

	COP	USD	Percentage
Commercial initiative with social impact <i>Actions related to business that have benefits for society</i>	\$3,945,138,172	\$912,160	7.46%
Community investment <i>Development or strategic participation in long-term projects that respond to social problems or opportunities</i>	\$45,887,750,403	\$10,609,762	86.13%
Charitable donation <i>Occasional contributions in response to temporary needs</i>	\$3,085,320,822	\$824,271	6.29%
Others	\$94,277,527	21,798	0.18
Total	\$53,278,237,692	\$12,318,525	100%

To learn more about the coverage, impact and destination of this social investment, see page 61 of Annual Report 2023

Within social investment, in addition to social development initiatives (own or third parties), the different institutional contributions made by the Company are also consolidated in terms of: contributions, donations and sponsorships.

Contributions

Contributions for the creation and/or consolidation of think tanks, unions, associations, chambers of commerce and other initiatives based on cooperation to promote reflection, research and incidence in the construction of public policies. These contributions are made in accordance with our corporate principles, codes of conduct and the internal regulations associated with the ethics and compliance system, as well as with current regulations.

	COP	USD
Lobbying, representation of interests or the like	0	0
Guilds, associations, think tanks, or tax-exempt groups	30,095,784,566	6,990,193
Campaigns, organizations, local, regional or national political candidates	0	0
Other expenses	0	0
Total	30,095,784,566	6,990,193

Due to the nature of our business and the relevance of our subsidiaries in the countries where we are present, the companies of the SURA Business Group participate in various guilds and associations. To do this, we make annual contributions through membership fees allocated through an independent fee system. These are the largest contributions for registered trade associations in 2023:

	COP	USD
Association of AFPs, AFPP – Peru <i>Non-profit organization that represents the four Pension Fund Administrators (AFP) that operate in Peru.</i>	17,052,794,165	3,942,797.08
AFP Association – Chile <i>Trade union organization that brings together the Pension Fund Management companies constituted according to the regulations of DL 3,500 of the year 1980. Its purpose is to represent its associates before public authorities and civil society organizations, seeking the best performance, development and improvement of the rules that govern their work.</i>	5,160,563,897.13	1,193,187.11
AMAFORE – Mexico <i>Mexican Association of Retirement Fund Administrators. It is a civil association founded in 1997 to strengthen and consolidate the Retirement Savings System (SAR).</i>	3,211,496,677	742,534.23
